REQUEST FOR PROPOSAL DUE ON FRIDAY 02/16/24 AT 2 PM HST

SCOPE OF WORK: The project will provide an additional potable drinking water well for the Puhi-Līhu'e-Kapa‘a Water System at Tax Map Key (TMK): (4)4-6-011-003 by developing construction documents; performing the necessary environmental review; obtaining all required permitting; constructing in place complete a fully operational potable drinking water well and associated facilities, infrastructure, and appurtenances, including a supervisory control and data acquisition (SCADA) system in accordance with the terms and conditions of this solicitation, and submitting record drawings.

There were no pre-qualification proposals submitted by the February 16, 2024 deadline. The Department determined it was neither practical nor advantageous to reissue a new solicitation for this project and the Chief Procurement Officer waived the competitive sealed proposal process. Accordingly, an alternative method of procurement was utilized resulting in the following award:
