

# 18th Annual Contractors Association of Kauai Home Show

On March 19 and 20, 2010, the Department of Water participated at the 18th Annual CAK Home Show. A water taste test was conducted by having willing participants in attendance sample water from 3 different sources, Groundwater, Bottled Water and Surface water.

The containers were labeled, "A" "B" & "C". Participants tasted each sample then voted for the one they liked the best.

## RESULTS:

	# of Votes	%
<b>A Groundwater</b>	<b>119</b>	<b>49</b>
<b>B Bottled Water</b>	<b>40</b>	<b>17</b>
<b>C Surface Water</b>	<b><u>83</u></b>	<b><u>34</u></b>
<b>Totals</b>	<b>242</b>	<b>100</b>

The Department of Water would like to thank First Hawaiian Bank and CAK for hosting and organizing the Home Show.

The department would also like to especially thank the people that good naturedly participated in this taste test!
