The requirements contained herein, as well as the Board's review or acceptance of insurance maintained by the Contractor is not intended to and shall not in any manner limit or qualify the liabilities or obligations assumed by the Contractor.

To the extent applicable, the amounts and types of insurance will conform to the minimum terms, conditions and coverage(s) of Insurance Service Office (ISO) policies, forms, and endorsements.

A. General Conditions

Waiver of Subrogation. Contractor shall agree by entering into a contract with the Board to provide a Waiver of Subrogation for the Commercial General Liability, Automobile Liability, and Workers Compensation policies. When required by the insurer, or should a policy condition not permit Contractor to enter into a pre-loss agreement to waive subrogation without an endorsement, the Contractor shall agree to notify the insurer and request the policy be endorsed with a Waiver of Subrogation in favor of the Board. This Waiver of Subrogation requirement shall not apply to any policy, which includes a condition specifically prohibiting such an endorsement, or voids coverage should Contractor enter into such an agreement on a pre-loss basis.

Additional Insured. Contractor shall agree to endorse the **Board of Water Supply, County of Kauaʻi as an Additional Insured** with a CG026 Additional Insured – Designated Person or Organization endorsement, a copy of the applicable policy language, or similar endorsement to all required insurance policy(ies), except for Workers Compensation and Professional Liability.

Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the Board. At the discretion of the Board, the Board may require Contractor to reduce or eliminate any such deductibles or self-insured retentions as respects the Board, or require Contractor to provide a financial guarantee (audited financial statement or bond) satisfactory to the Board guaranteeing payment of any losses and related investigations, claim administration, or defense expenses. Any deductibles or self-insured retentions are the sole responsibility of Contractor and its subcontractor(s) if any. The Board reserves the right to deduct from the final payment to Contractor any unsatisfied deductibles or self-insured retentions which would result in a lien against the project.

When any deductibles or self-insured retention exceeds \$50,000, the Board reserves the right, but not the obligation, to request and review a copy of Contractor's most recent annual report or audited financial statement.

Contractor must declare any exception to the requirements of this provision as a question to the solicitation prior to submission of their offer, and must declare their ability to provide a bond or other satisfactory guarantee in lieu of any deductibles or self-insured retention. The Board will make a determination as to any exception(s) via an addendum to the solicitation prior to final submission of offers.

Contractor's Responsibility. The Contractor is responsible for paying any portion of any loss not covered because of the operation of any deductible, co- insurance clause or self-insured retention applicable to the insurance required herein. If the Board is damaged by the failure of the Contractor to maintain insurance as required in this paragraph, then the Contractor shall bear all reasonable costs properly attributable to that failure.

Primary and Non-contributory. All policies required of the Contractor will be endorsed as primary and any insurance or self-insurance program maintained by the Board shall be non-contributory.

Failure to secure and maintain the required insurance shall be considered as a material breach of the contract. Should the Board be forced to expend funds that would have been

covered under the specified insurance, Contractor shall reimburse Board for such funds. In the event the Board determines, in its sole and absolute discretion, that it is necessary to purchase the coverages herein required of the Contractor, and which the Contractor has failed to secure, the Contractor shall reimburse the Board for the expenditure of such funds.

Right to Revise or Reject. Board reserves the right, but not the obligation, to review and revise any insurance requirement, not limited to limits, coverages and endorsements based on insurance market conditions affecting the availability or affordability of coverage; or changes in the scope of work or specifications affecting the applicability of coverage.
