

WATER PLAN 2020

March 2001

and

in association with

**Kodani and Associates,
Plan Pacific, and
MacDougal and Associates**

**DEPARTMENT OF WATER/COUNTY OF KAUAI
TABLE OF CONTENTS**

EXECUTIVE SUMMARY

CHAPTER 1 - INTRODUCTION

Purpose 1-1
Related Plans 1-2
Acknowledgements 1-3

CHAPTER 2 DEPARTMENT OF WATER ORGANIZATION

Ownership and Management..... 2-1
Department Organization 2-1
Water System Operation and Maintenance Program 2-4
 Operations Division Management and Personnel 2-4
 Plant Operations 2-5
 Field Operations 2-5
 Operator Certification Requirements 2-6
 Treatment Plant Operators..... 2-6
 Distribution System Operators 2-7
Routine Operations and Maintenance 2-7
 Asset Management 2-9
 SCADA Maintenance and Management 2-10

CHAPTER 3 DESCRIPTION OF WATER SYSTEMS

DOW History 3-1
Water Service Areas 3-1
Existing Service Areas Characteristics..... 3-3

CHAPTER 4 BASIC PLANNING DATA AND WATER DEMAND

FORECASTING

Population Projections and Demographics 4-1
Water Use Categories and Service Connections 4-4
Historical Water Use..... 4-5
Future Water Demands 4-6
Water Conservation Programs 4-8
 Supply Side Conservation Program 4-9
 100% Customer Metering 4-9
 Meter Replacement, Repair, Defective Meter Programs 4-9
 Non-metered Water Analysis/Report 4-9
 Leak Detection Program 4-10

Storage Tank Reservoir Overflow Alarm and Automatic Level Controls	4-10
Demand Side Programs	4-10
Plumbing Code Regulation	4-10
Voluntary Emergency Water Shortage Notice.....	4-10
Public Outreach/Education Program.....	4-11
DOW Water Conservation Plan.....	4-11
Goals	4-11
Conservation Measures	4-11
Water Savings.....	4-12

CHAPTER 5 PLANNING APPROACH AND METHODOLOGY

Water System Policies	5-1
Level of Service	5-2
Supply Analysis Evaluation Criteria	5-6
Storage Evaluation Criteria	5-7
Transmission And Distribution Evaluation Criteria.....	5-7
Peak Hour Analysis	5-8
Fire Flow Analysis	5-8
Public Involvement Approach.....	5-8

CHAPTER 6 IMPROVEMENT PROGRAM

Project Identification And Evaluation.....	6-1
Project Prioritization Within Each Water System	6-4
Island-Wide Improvement Program Prioritization and Scheduling	6-7
Strategic Initiatives.....	6-8
Scheduling.....	6-9
Final Program Selection.....	6-10
Project Implementation Plan	6-12

CHAPTER 7 SYSTEMS ANALYSIS

Waimea-Kekaha	7-2
Hanapepe-Eleele.....	7-11
Kalaheo-Lawai-Omao	7-19
Koloa-Poipu	7-33
Puhi-Lihue-Hanamaulu	7-42
Wailua-Kapaa	7-53
Anahola	7-65
Moloaa.....	7-71
Kilauea-Waipake-Kalihiwai	7-75
Anini.....	7-81
Hanalei	7-85
Wainiha-Haena	7-91

CHAPTER 8 FINANCIAL PLAN AND WATER RATE STUDY

20-year financial plan 8-1
 Financial Policy Workshop 8-1
 20-Year Financial Plan Results 8-1
Revenue Requirements Analysis 8-2
 Methodology 8-2
 Key Assumptions..... 8-3
 Projection of Revenues..... 8-3
 Operating and Other Revenues 8-3
 Facilities Reserve Charge Revenues 8-4
Projection of Revenue Requirements 8-4
 Operating Expenses 8-4
 Capital Financing 8-4
 Results of Revenue Requirements Analysis..... 8-5
Cost-Of-Service Analysis 8-5
 Methodology 8-5
 Results 8-6
Rate Design 8-6
 Methodology 8-6
 Additional Charges..... 8-7
 Adopted Rate Changes 8-7

LIST OF TABLES

1	Population Projection.....	2
2	Historical and Forecast Water Use	4
3	Source Needs by Water System.....	6
4	Storage Needs by Water System.....	7
5	Transmission and Distribution.....	8
6	Water System Summary – Improvements by Phase	15
7	Adopted Service and Consumption Charges	18
8	Adopted Block Thresholds	18
1.1	Water Plan 2020 Related Plans.....	1-2
2.1	DOW Utility Support Services	2-3
2.2	Plant Operations Districts	2-5
2.3	Field Operations Districts	2-6
2.4	Routine Operation and Maintenance	2-7
3.1	Existing Service Area Characteristics	3-3
4.1	2000, 2050, and Build Out Populations.....	4-2
4.2	Demographic Projection Summary.....	4-3
4.3	DOW Customer Classes and Service Connection	4-4
4.4	Forecast Methodology	4-6
4.5	Historical and Forecasted Water Use.....	4-7
4.6	2020 and 2050 Water Use Protection	4-8
4.7	Current Water Activities Intermediate Guidelines	4-9
4.8	DOW Selected Conservation Measures.....	4-12
5.1	Level of Service.....	5-3
5.2	Water Plan 2020 Meetings.....	5-9
5.3	Communication Methods.....	5-10
6.1	Source Needs by Water System.....	6-2
6.2	Storage Needs by Water System.....	6-3
6.3	Project Evaluation Criteria	6-6
6.4	Water System Summary – Improvements by Phase	6-10
6.5	Improvements by Fund Type.....	6-11
6.6	Improvements by Project Type.....	6-11

Waimea-Kekaha

7-A.1	Waimea-Kekaha Existing Facility Inventory	7-3
7-A.2	Water Supply and Demand for Waimea-Kekaha	7-5
7-A.3	Water System: Waimea-Kekaha.....	7-7
7-A.4	Existing and Future Storage Summary for Waimea-Kekaha.....	7-8
7-A.5	Proposed Improvement Projects: Waimea-Kekaha	7-10

Hanapepe-Eleele

7-B.1	Hanapepe-Eleele Existing Facility Inventory	7-12
7-B.2	Water Supply and Demand for Hanapepe-Eleele	7-14
7-B.3	Water System: Hanapepe-Eleele	7-15
7-B.4	Existing and Future Storage Summary for Hanapepe-Eleele	7-16
7-B.5	Proposed Improvement Projects: Hanapepe-Eleele.....	7-18

Kalaheo-Lawai-Omao

7-C.1 Kalaheo Existing Facility Inventory 7-20
7-C.2 Lawai-Omao Existing Facility Inventory 7-22
7-C.3 Water Supply and Demand for Kalaheo-Lawai-Omao..... 7-25
7-C.4 Water System: Kalaheo 7-27
7-C.5 Water System: Lawai-Omao..... 7-28
7-C.6 Existing and Future Storage Summary for Kalaheo-Lawai-Omao 7-30
7-C.7 Proposed Improvement Projects: Kalaheo..... 7-32
7-C.8 Proposed Improvement Projects: Lawai-Omao 7-32

Koloa-Poipu

7-D.1 Koloa-Poipu Existing Facility Inventory 7-34
7-D.2 Water Supply and Demand for Koloa-Poipu 7-37
7-D.3 Water System: Koloa-Poipu 7-38
7-D.4 Existing and Future Storage Summary for Koloa-Poipu 7-40
7-D.5 Proposed Improvement Projects: Koloa-Poipu..... 7-41

Puhi-Lihue-Hanamaulu

7-E.1 Puhi-Lihue-Hanamaulu Existing Facility Inventory..... 7-43
7-E.2 Water Supply and Demand for Puhi-Lihue-Hanamaulu..... 7-47
7-E.3 Water System: Puhi-Lihue-Hanamaulu 7-49
7-E.4 Existing and Future Storage Summary for Puhi-Lihue-Hanamaulu..... 7-51
7-E.5 Proposed Improvement Projects: Puhi-Lihue-Hanamaulu 7-52

Wailua-Kapaa

7-F.1 Wailua-Kapaa Existing Facility Inventory 7-54
7-F.2 Water Supply and Demand for Wailua-Kapaa 7-57
7-F.3 Water System: Wailua-Kapaa..... 7-59
7-F.4 Existing and Future Storage Summary for Wailua-Kapaa 7-61
7-F.5 Proposed Improvement Projects: Wailua-Kapaa..... 7-63

Anahola

7-G.1 Anahola Existing Facility Inventory 7-66
7-G.2 Water Supply and Demand for Anahola..... 7-67
7-G.3 Water System: Anahola 7-68
7-G.4 Existing and Future Storage Summary for Anahola 7-69
7-G.5 Proposed Improvement Projects: Anahola 7-70

Moloaa

7-H.1 Moloaa Existing Facility Inventory 7-72
7-H.2 Existing and Future Storage Summary for Moloaa 7-73
7-H.3 Proposed Improvement Projects: Moloaa..... 7-74

Kilauea-Waipake-Kalihiwai

7-I.1 Kilauea-Waipake-Kalihiwai Existing Facility Inventory 7-76
7-I.2 Water Supply and Demand for Kilauea-Waipake-Kalihiwai 7-77
7-I.3 Water System: Kilauea-Waipake-Kalihiwai..... 7-78
7-I.4 Existing and Future Storage Summary for Kilauea-Waipake-Kalihiwai 7-79
7-I.5 Proposed Improvement Projects: Kilauea-Waipake-Kalihiwai 7-80

Anini

7-J.1 Water System: Anini..... 7-83
7-J.2 Proposed Improvement Projects: Anini..... 7-84

Hanalei

7-K.1 Hanalei Existing Facility Inventory 7-86
7-K.2 Water Supply and Demand for Hanalei..... 7-87
7-K.3 Water System: Hanalei 7-88
7-K.4 Existing and Future Storage Summary for Hanalei 7-89
7-K.5 Proposed Improvement Projects: Hanalei..... 7-90

Wainiha-Haena

7-L.1 Wainiha-Haena Existing Facility Inventory 7-92
7-L.2 Water Supply and Demand for Hanalei..... 7-93
7-L.3 Water System: Wainiha-Haena..... 7-95
7-L.4 Existing and Future Storage Summary for Hanalei 7-96
7-L.5 Proposed Improvement Projects: Wainiha-Haena..... 7-97

8.1 Historical and Projected Customer Accounts, Water Consumption Revenue 8-8
8.2 Historical and Projected Operating Expenses..... 8-9
8.3 Plan 2020 Operating Expenses and Capital Funding Projections..... 8-11
8.4 Projected Capital Funding Expenditures and Source Funds..... 8-13
8.5 Historical and Projected Operating Revenues and Revenue Requirements 8-15
8.6 Cost of Service Summary 8-17
8.7 Unit Cost of Service Analysis..... 8-18
8.8 Adopted Service and Consumption Charges 8-19
8.9 Adopted Block Thresholds 8-20
8.10 State Water Systems Typical Bill Comparison..... 8-21
8.11 Private Fire Protection Adopted Monthly Meter Charges 8-22
8.12 Adopted Shipping Rates 8-23

LIST OF FIGURES

1	Percentage of Water Use by Category in 1998-99.....	3
2	Pipeline Inventory by Miles of Pipeline and Year Installed Dates.....	8
2.1	DOW Organizational Chart.....	2-2
2.2	Operations Division Organizational Chart.....	2-4
3.1	Water Service Area.....	3-2
4.1	Percentage of Water Use by Category in 1998.....	4-6
6.1	Project Prioritization Criteria.....	6-5
6.2	Programming Criteria.....	6.8
Waimea-Kekaha		
7-A.1	Department of Water, Water System.....	7-1
7-A.2	Waimea-Kekaha System	
7-A.3	Waimea-Kekaha Hydraulic Profile	
7-A.4	Schematic of Transmission Capability Within the Waimea-Kekaha Pressure Zones.....	7-4
7-A.5	Schematic of Gravity Transmission Capability Within the Waimea-Kekaha Pressure Zones.....	7-8
7-A.6	Waimea-Kekaha System CIP Projects	
Hanapepe-Eleele		
7-B.1	Hanapepe-Eleele System	
7-B.2	Hanapepe-Eleele Hydraulic Profile	
7-B.3	Schematic of Transmission Capability Within the Hanapepe-Eleele Pressure Zones.....	7-13
7-B.4	Schematic of Gravity Transmission Capability Within the Hanapepe-Eleele Pressure Zones.....	7-16
7-B.5	Hanapepe-Eleele System CIP Projects	
Kalaheo-Lawai-Omao		
7-C.1	Kalaheo System	
7-C.2	Lawai-Omao System	
7-C.3	Kalaheo-Lawai Hydraulic Profile	
7-C.4	Schematic of Transmission Capability Within the Kalaheo-Lawai-Omao Pressure Zones.....	7-24
7-C.5	Schematic of Gravity Transmission Capability Within the Kalaheo-Lawai-Omao Pressure Zones.....	7-29
7-C.6	Kalaheo System CIP Projects	
7-C.7	Lawai-Omao System CIP Projects	
Koloa-Poipu		
7-D.1	Koloa-Poipu System	
7-D.2	Koloa-Poipu Hydraulic Profile	
7-D.3	Schematic of Transmission Capability Within the Koloa-Poipu Pressure Zones.....	7-36
7-D.4	Schematic of Gravity Transmission Capability Within the Koloa-Poipu Pressure Zones.....	7-39
7-D.5	Koloa-Poipu System CIP Projects	

Puhi-Lihue-Hanamaulu

7-E.1 Puhi-Lihue-Hanamaulu System
7-E.2 Lihue-Puhi Hydraulic Profile
7-E.3 Schematic of Transmission Capability
 Within the Puhi-Lihue-Hanamaulu Pressure Zones 7-46
7-E.4 Schematic of Gravity Transmission Capability
 Within the Puhi-Lihue-Hanamaulu Pressure Zones 7-50
7-E.5 Puhi-Lihue-Hanamaulu System CIP Projects

Wailua-Kapaa

7-F.1 Wailua-Kapaa System
7-F.2 Wailua-Kapaa Hydraulic Profile
7-F.3 Schematic of Transmission Capability
 Within the Wailua-Kapaa Pressure Zones 7-56
7-F.4 Schematic of Gravity Transmission Capability
 Within the Wailua-Kapaa Pressure Zones 7-60
7-F.5 Wailua-Kapaa System CIP Projects

Anahola

7-G.1 Anahola System
7-G.2 Anahola Hydraulic Profile
7-G.3 Schematic of Transmission Capability
 Within the Anahola Pressure Zones 7-67
7-G.4 Schematic of Gravity Transmission Capability
 Within the Anahola Pressure Zones 7-69
7-G.5 Anahola System CIP Projects

Moloaa

7-H.1 Moloaa System
7-H.2 Moloaa Hydraulic Profile
7-H.3 Schematic of Gravity Transmission Capability
 Within the Moloaa Pressure Zones 7-73
7-H.4 Moloaa System CIP Projects

Kilauea-Waipake-Kalihiwai

7-I.1 Kilauea-Waipake-Kalihiwai System
7-I.2 Kilauea-Waipake-Kalihiwai Hydraulic Profile
7-I.3 Schematic of Transmission Capability
 Within the Kilauea-Waipake-Kalihiwai Pressure Zones 7-77
7-I.4 Schematic of Gravity Transmission Capability
 Within the Kilauea-Waipake-Kalihiwai Pressure Zones 7-79
7-I.5 Kilauea-Waipake-Kalihiwai System CIP Projects

Anini

7-J.1 Anini System
7-J.2 Anini System CIP Projects

Hanalei

7-K.1 Hanalei System
7-K.2 Hanalei Hydraulic Profile
7-K.3 Schematic of Transmission Capability
Within the Hanalei Pressure Zones..... 7-87
7-K.4 Schematic of Gravity Transmission Capability
Within the Hanalei Pressure Zones..... 7-88
7-K.5 Hanalei System CIP Projects

Wainiha-Haena

7-L.1 Wainiha-Haena System
7-L.2 Wainiha-Haena Hydraulic Profile
7-L.3 Schematic of Transmission Capability
Within the Wainiha-Haena Pressure Zones..... 7-93
7-L.4 Schematic of Gravity Transmission Capability
Within the Wainiha-Haena Pressure Zones..... 7-95
7-L.5 Wainiha-Haena System CIP Projects
